The Association came into being as a result of a proposal made by Air Vice Marshall Sir Charles Lambe KCB, and Miss Theo Watts, at that time Chairman and Hon. Secretary respectively of the Wirehaired Dachshund Club. The first show was held at Tattersalls in 1932 under the title of the Wire Haired Dachshund Club. In view of its success it was decided to repeat the venture and invitations were issued to the Southern and Longhaired Dachshund Clubs to join the Wirehaired Club in forming an Association in which the Smooths, Longs and Wires would be equally represented. Both Clubs accepted the invitation and the 1933 show was held under tri-partite representation, with an entry of 450. The registration of the title "The Great Joint Dachshund Association" was granted by the Kennel Club in 1937.

The Great Joint Dachshund show became an annual event until 1939 when the outbreak of war interrupted the Association's activities.

In 1946 the Wire and Longhaired Clubs staged a joint Championship Show for the two varieties. The following year the three Clubs staged a three breed event on the lines of the pre-war fixtures.

In 1948 the Miniature Dachshund Club joined the Association. In 1949 all five varieties of Dachshund competed for Challenge Certificates, the Miniature Wires gaining Certificates in 1961.

WEIGHING OF MINIATURE DACHSHUNDS

Health and Welfare Statement

The desired maximum weight of Miniature Dachshunds is 11 lbs. The Committee wishes to make it clear to exhibitors that the health and welfare of all dogs entered at The Great Joint Dachshund Association events is of the highest importance.

The Animal Welfare Act became law on 6 April 2007. The focus is now on the responsibility of the owner, as seen in the 'Duty of Care'. Those who own a dog are legally responsible for its welfare, otherwise they may be found to be committing a 'Welfare Offence'.

The Committee may take action against any exhibitors who are found to be depriving their dogs of water and/or food in order to meet the desired maximum weight requirement for Miniatures in the Breed Standard.

Exhibits which appear thin and undernourished should be seriously penalised by judges.

FOULING

We are very fortunate to have this venue, and the Committee urgently request that all dogs must be kept on a lead at all times, and that in the event of accidental fouling, the mess **MUST** be cleaned up by the owner/handler. There is a clearly marked exercise area provided for exhibits.

CHILDREN

Children under the age of 11 are the responsibility of and must be accompanied at all times by a Parent or Guardian.

Parents are reminded that if bringing children to the show, they will be fully responsible for their children's actions, and if any damage or accidents occur, the costs will be passed on by The Great Joint Dachshund Association to the parents.

MOBILE PHONES SHOULD NOT BE SWITCHED ON AT THE RINGSIDE.

No Dog/Bitch other than one officially entered shall be brought into the limits of the Dog Show during its continuance except registered assistance dogs (see Rule 24).

DOGS IN VEHICLES ON HOT DAYS

Exhibitors are reminded that in the event of dogs left in vehicles being found in a distressed condition, remedial action will be taken in accordance with Kennel Club Guidelines.

Wins at Championship Shows in breed classes where Challenge Certificates are not on offer shall be counted as wins at Open Show.

In the case of a dog owned in partnership and entered in Members' Classes or competing for Members' Specials, each partner must at the time of entry be a member of the Society.

In estimating the number of awards won, all wins up to and including the seventh day before the date of closing of postal entries shall be counted when entering for any class, i.e Monday 17th September 2018.

Wins in Variety classes do not count for entry in Breed classes but when entering in Variety classes, wins in both Breed and Variety classes must be counted. A first prize does not include a Special Prize of whatever value.

- b) If an exhibit is entered incorrectly in a Minor Puppy Class, Puppy Class or Junior Class , which is over age but under 12 calendar months of age, 18 calendar months of age or 24 calendar months of age respectively the Show Secretary shall transfer the exhibit to the Puppy Class, Junior Class or Yearling Class respectively for the correct breed, colour, sex, weight or height and in the event of there being no Puppy, Junior or Yearling Class to the Open Class for the correct breed, colour, sex weight or height.
- (c) For any reason other than the above, the Show Secretary shall transfer it to the Open class for the correct breed, colour, sex, weight or height,
- (d) If an exhibit arrives late and misses a class, even if it is the only class in which the dog is entered, the dog may not be transferred to any other class.

- 16 **DOGS IN VEHICLES ON HOT DAYS** Your dog is vulnerable and at risk during hot weather and the Kennel Club offers the following guidance to help guide you through the do's and don'ts travelling to and whilst at KC licensed events.
 - When travelling to a show please take a moment to consider whether the route to the show is on a busy holiday route, and leave earlier to avoid increased time in traffic jams.
 - If your vehicle is not air-conditioned seriously consider whether travelling to the show is a good idea at all.
 - The vehicle should be as fully ventilated as possible, and plenty of stops should be taken, with lots of water available to drink.
 - Ensure your dog is not sitting in full sunlight. There should be plenty of free flowing air around the dog.

- When at the show, never leave your dog in the vehicle.
- Keep the dog in the shade – take your own shade for example a large umbrella and always have plenty of water available to drink so your dog stays well hydrated.
- Avoid your dog taking part in unnecessary exertion, or from standing in exposed sunlight for extended lengths of time.

Remember, if you feel hot your dog is very likely to feel much hotter and dehydrated, and this could lead to dire results. Please look after your dog's welfare.

WARNING: IF YOUR DOG IS FOUND TO BE AT RISK FORCIBLE ENTRY TO YOUR VEHICLE MAY BE NECESSARY WITHOUT LIABILITY FOR ANY DAMAGE CAUSED.

Anyone whose dog is entered at a Kennel Club licensed event should take all reasonable steps to ensure the needs of their dog(s) are met, and should not put a dog's health and welfare at risk by any action, default, omission or otherwise. Breach of Kennel Club Regulations in this respect may be referred to the General Committee for disciplinary action under Kennel Club Rules and Regulations. Right to Refuse Entries. Exhibitors are reminded that show societies have the right under Kennel Club Regulation to refuse any entry.

The use of pinch collars, electronic shock collars, or prong collars, is not permitted at any show licensed by the Kennel Club. This shall apply at the venue or within the precincts of the show.
- 18 Not for Competition entries will be accepted. Details of each dog so entered must be recorded on the entry form and must be Kennel Club registered. Puppies of four calendar months of age and over may be entered Not For Competition.
19. No modifications will be made to the schedule except by permission of the General Committee of the Kennel Club, which will be followed by advertisement in the Canine press wherever possible.

- 21 **DOG FOULING & GROOMING WASTE:** Any owner, competitor or other person in charge of a dog is required to remove as soon as possible any fouling caused by their dog(s) at any Kennel Club licensed venue and within the environs of that event including car and caravan parks and approaches. Adequate receptacles for the disposal of such fouling will be provided.
- 22 The Committee will do its utmost to ensure the safety of the dogs brought for exhibition but it must be clearly understood by exhibitors and all other persons at the Show that the Committee will not be responsible for the loss or damage to any dogs or property, or personal injury whether arising from accident or any other cause whatsoever.
- 23 The Committee of the show can accept no responsibility for products advertised or sold by stand holders at the show, and remind exhibitors that grooming products on sale may not meet the requirements of the Regulations for the Preparation of Dogs for Exhibition.

This regulation applies before (at any time during the set up period at the venue), during the event and afterwards (at any time during the breakdown of the event)

- 31 The Judge will be instructed and empowered to withhold the prize or prizes in any class if, in his opinion, the dogs exhibited do not possess sufficient merit. The Judge is not empowered to give prizes beyond those offered in this schedule and such awards shall not be counted as a win except consent of the Secretary first being obtained in writing.
- 32 Every exhibitor shall ensure that whilst the dog is being exhibited, its handler shall display the correct ring number.
- 33 Use of Electrical Equipment at Shows The Kennel Club is becoming increasingly concerned at the amount of electrical equipment being used by exhibitors at shows, including hair dryers and hair straighteners and other grooming devices. Electrical equipment should not be brought to shows unless absolutely necessary. In rare instances where it might be required, it should be PAT tested and permission sought from the secretary of the show before it is used.
